

**ANNUAL
PERFORMANCE
REPORT**

2018/19

INTRODUCTION

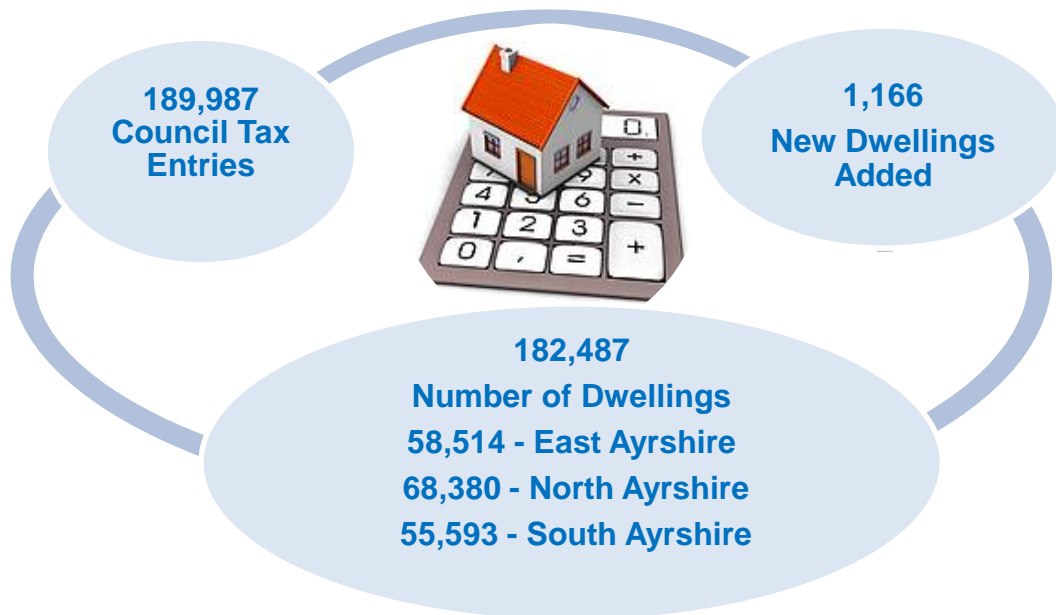

The Assessor and Electoral Registration Officer for Ayrshire Valuation Joint Board is responsible for the preparation and maintenance of the Valuation List, Valuation Roll and Electoral Register for the whole of Ayrshire, including the areas covered by East Ayrshire Council, North Ayrshire Council and South Ayrshire Council.

COUNCIL TAX VALUATION LIST

The Council Tax Valuation List gives the address and Council Tax Band of all dwelling houses. Council Tax bills are based on these bands. The present Valuation List came into effect on 1st April 1993 and contains an entry for each dwelling house, domestic garage, lockup and domestic store in Ayrshire.

A further breakdown of changes to the Valuation List can be seen here.

EAST AYRSHIRE

- 398 Dwellings Added
- 257 Dwellings Deleted
- 70 Dwellings Amended

NORTH AYRSHIRE

- 456 Dwellings Added
- 148 Dwellings Deleted
- 63 Dwellings Amended

SOUTH AYRSHIRE

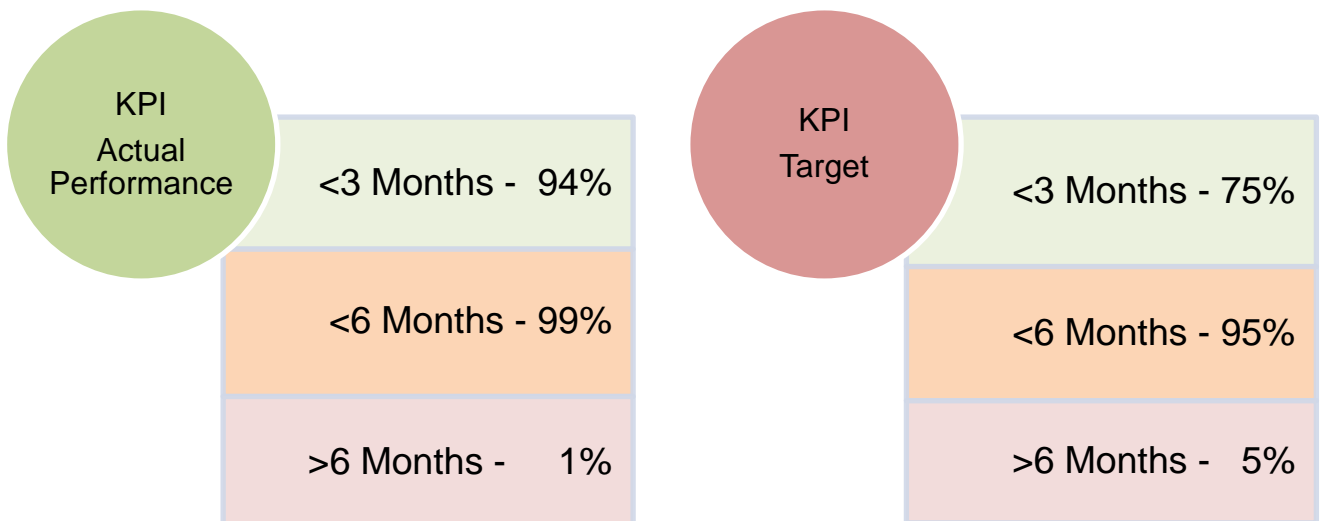

- 312 Dwellings Added
- 97 Dwellings Deleted
- 98 Dwellings Amended

COUNCIL TAX VALUATION LIST

It is important that the Valuation List is maintained in an up-to-date way to include all new houses and changes to existing entries. It is also desirable that new properties are placed on the Council Tax List as soon as possible to avoid large backdated bills, to minimise any delay in collecting Council Tax and to improve the cash flow situation of the three Ayrshire Councils.

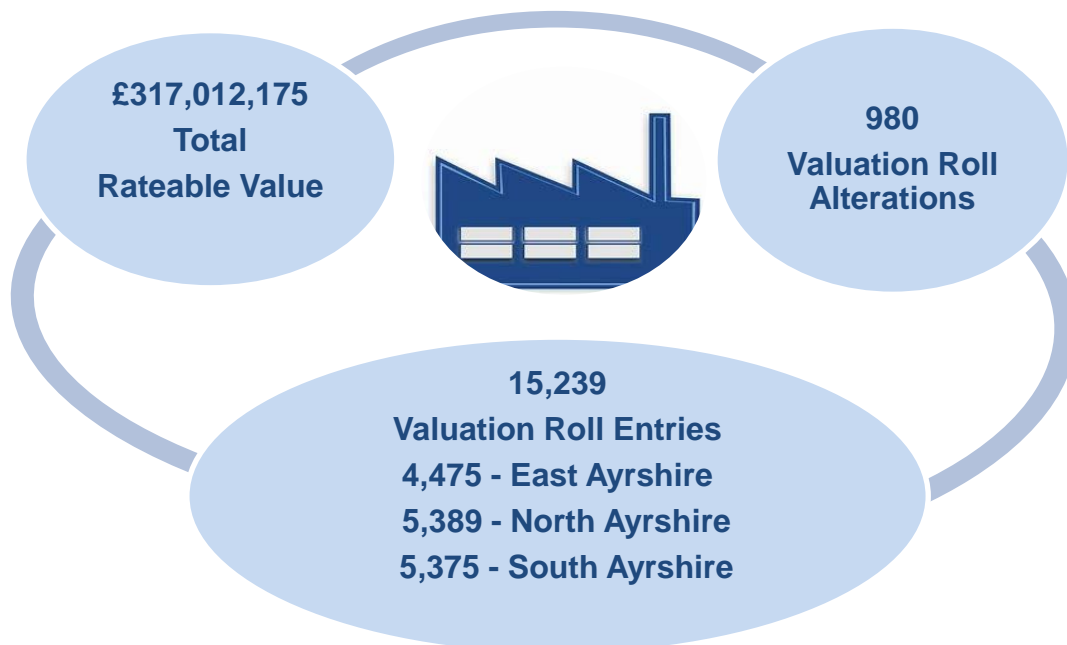

We therefore measure our performance relating to the speed at which new properties are added to the List. We base our targets on previous achievements, the pressures on resources and the volume of work anticipated in other areas. For 2018/19 we set a target of 75% of new houses being entered on the List within 3 months and a target of 95% within the first 6 months.

These targets are a modest decrease on previous years and were set to take account of the increased workload resulting from Council Tax proposals and appeals and Revaluation appeals. All the targets were achieved. Our actual performance and targets are shown below.

VALUATION ROLL FOR NON-DOMESTIC SUBJECTS

The Valuation Roll contains an entry and value for every non-domestic property in the area. It is published after each Revaluation and is normally in force for five years.

A further breakdown of changes to the Valuation Roll can be seen here.

EAST AYRSHIRE

- 133 Valuation Roll Entries Added
- 65 Valuation Roll Entries Deleted
- 96 Valuation Roll Entries Amended

NORTH AYRSHIRE

- 159 Valuation Roll Entries Added
- 110 Valuation Roll Entries Deleted
- 128 Valuation Roll Entries Amended

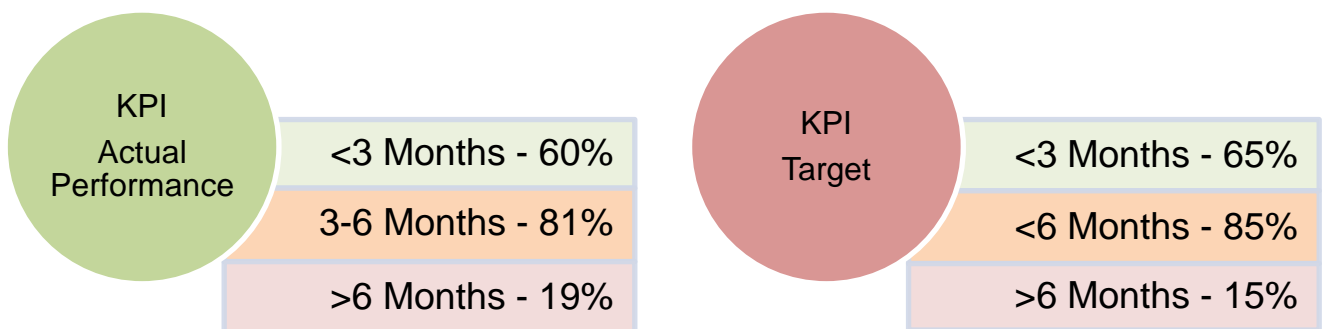

SOUTH AYRSHIRE

- 131 Valuation Roll Entries Added
- 64 Valuation Roll Entries Deleted
- 94 Valuation Roll Entries Amended

VALUATION ROLL FOR NON-DOMESTIC SUBJECTS

This indicator measures how quickly we respond to property changes by amending the Valuation Roll. This is important to Ratepayers who are, in the main, local businesses and employers, and have a keen interest in changes being made as soon as possible to avoid having large backdated rates bill. Similarly the three Ayrshire Councils look to avoid unnecessary billing delays to improve their cash flow.

We base our targets on previous year's achievements, the pressures upon resources and the anticipated workloads in other areas. A target of 65% of alterations being reflected in the Roll within 3 months was set for the year 2018/19 and a target of 85% within the first 6 months. The targets set were slightly below last year's targets and reflect the increased workload resulting from Revaluation 2017 appeals during the year. We failed to meet our targets in this indicator but this was not unexpected due to the additional time and resources that were required to deal with Revaluation appeals and an increased volume of Council Tax proposals and appeals.

ELECTORAL REGISTRATION

The Electoral Registration Officer is required to maintain the Register of Electors and while there were no Electoral Events held during the 2018/19 year covered by this report, we are still required to carryout the annual household canvass.

A breakdown of 16-18 year olds can be seen below.

A breakdown of number of properties canvassed and response can be seen below.

EAST AYRSHIRE

- 2,455 16-18 year olds - 8% decrease from previous year
- 58,551 Properties Canvassed - 85% response

NORTH AYRSHIRE

- 2,858 16-18 year olds - 9% decrease from previous year
- 68,388 Properties Canvassed - 84% response

SOUTH AYRSHIRE

- 2,260 16-18 year olds - 4% decrease from previous year
- 55,613 Properties Canvassed - 88% response
